Subject: PLEASE MEET US TONIGHT!

Hi Tom and Kate!

My name is Amy. My partner's name is Jack. We are detectives. We came to your school last month to explain how to be safe* in our city.

I hope you remember us. Jack and I remember you!

We are writing this e-mail because we really need your help!

Please meet us at the gym in the new community center on State Street. Come at six o'clock tonight.

There is an important MP3 file in this e-mail. It will give you directions to the new community center.

Please put the file on your MP3 player and bring it with you.

We will explain everything when you get there.

Thanks!

Amy and Jack

Note: Be sure to ask your mom and dad if it is OK to meet us.
